I have over 5 years of experience working with ecommerce websites for the biggest jewelry brand in Vietnam (PNJ company). Together with my team, I built new page functions and lots of promotion pages, discussed with the design team and the marketing team for the UI/UX. I believe that my experiences are suitable for the requirements your company needs. I hope to cooperate with your company.

Experience

Web Developer .NET, Viettel Group   *10/2014 - 07/2015*
